1. Background

The Ministry of Micro, Small and Medium Enterprises has issued a notification dated 26th June 2020 regarding the revision of definition of Micro, Small and Medium Enterprises (MSMEs) and process of registration. Apart from the old criteria of categorization of MSMEs on the basis of investment in Plant and Machinery/Equipment, an additional criterion of turnover has also been included. Moreover, the difference between manufacturing and services sector has been removed and now both are at same level of treatment. This revision is paving the way for strengthening of AtmaNirbhar Bharat Abhiyan and growth of the MSMEs. Particularly, the provision of excluding the exports from counting of turnover is encouraging the MSMEs to export more and more without fearing to forego the benefits of being an MSME. This is expected to exponentially add to exports from the country leading to more growth and economic activity and creation of jobs.

As a result of change in classification criteria w.e.f. 1st July 2020, an enterprise is being classified as a Micro, Small or Medium enterprise on the basis of the following criteria, namely: --

- a) **Micro enterprise:** where the investment in plant and machinery or equipment does not exceed one crore rupees and turnover does not exceed five crore rupees;
- b) **Small enterprise:** where the investment in plant and machinery or equipment does not exceed ten crore rupees and turnover does not exceed fifty crore rupees; and
- c) **Medium enterprise:** where the investment in plant and machinery or equipment does not exceed fifty crore rupees and turnover does not exceed two hundred and fifty crore rupees.

To facilitate the procedure of MSME registration in accordance with the revised MSME definition, Ministry of MSME launched a new portal-Udyam Registration Portal (<https://udyamregistration.gov.in>) on 1st July 2020.

Key features of the portal are as under:-

- It is a unified portal with registration process free of cost, paperless and digital.
- The portal is aimed at reducing transaction time and cost for entrepreneurs and promotes Ease of Doing Business.
- The new MSME registration process is simple, seamless, and entrepreneur friendly.
- All the relevant data is being fetched from Income Tax and GST Networks in the backend.
- Udyam registration is mandatory to avail benefits under most of the schemes of Ministry of MSME and availing credit from financial institutions as per RBI notification no. RBI/2020-2021/26 (https://www.rbi.org.in/Scripts/BS_CircularIndexDisplay.aspx?Id=11951)
- Ministry of MSME has also commenced API integration of Udyam Registration portal with GeM so that MSEs can participate in Government procurement easily.

Highlights of the Udyam Registration process are as under:

- Aadhaar Number is required for registration;
- After completion of the process of registration, an Udyam Registration Certificate will be issued;
- This certificate will have a dynamic QR Code from which the web page on Udyam Registration Portal and details about the enterprise can be accessed;
- There will be no need for renewal of Registration;
- PAN & GST linked details on investment and turnover of enterprises will be taken automatically from the respective Government databases;
- No enterprise is supposed to file more than one Udyam Registration. However, any number of activities including manufacturing or services, or both may be specified or added in one Registration.

Government's Facilitation mechanism – 68 State Champions Control Rooms, Field Institutions/Offices of Ministry of MSME and DICs;

7 Highlights of the MSME/Udyam Registration Portal: A Saptrangi Beginning!

1. This portal opens with the URL <https://udyamregistration.gov.in>
other domains as below will also be diverted to the above:
<https://msmeregistration.gov.in> • <https://udyam.gov.in>
[Udyamregistration.co.in](https://udyamregistration.co.in) • [Udyamregistration.biz](https://udyamregistration.biz)
[Udyamregistration.com](https://udyamregistration.com) • [Udyamregistration.in](https://udyamregistration.in)
[Udyamregistration.org](https://udyamregistration.org) • [Udyamregistration.info](https://udyamregistration.info)
2. The entire registration process is online & without any paper, proof or document. Full integration with Government data bases has been done;
3. It has options where:
 - a. Udyam Registration will happen with Aadhaar & PAN validation on real time basis.
 - b. Old Udyog Aadhaar Memorandum can be upgraded to Udyam Registration by verifying/seeding the PAN here online.
4. This portal will have Integration with GeM – Government e-Market Place & CPPP – Central Public Procurement Portal & various other State Governments portals to give MSMEs the access to their Market Place, e-Tender process and other Benefits and Services.
5. Udyam Registration will also help you in dealing with Delayed MSME Payments because of its integration with TReDS & our SAMADHAAN Portal.
6. Each udyam registration certificate will have a dynamic & different QR code through which the exact web page of the concerned MSME can be accessed on our portal. This will bring ease of doing business.
7. Various other Schemes & benefits of Ministry of MSME can be accessed through Udyam Registration Number itself.

Come, register and be an MSME.

We will help you to become a CHAMPION !
