## 1. Background

The Ministry of Micro, Small and Medium Enterprises issued a notification dated 26<sup>th</sup> June 2020 regarding revision of definition of Micro, Small and Medium Enterprises (MSMEs) and process of registration. Apart from the old criteria of categorization of MSMEs on the basis of investment in Plant and Machinery/Equipment, an additional criterion of turnover has been included. Moreover, the difference between manufacturing and services sector has been removed and now both are at the same level of treatment. This revision is paving the way for strengthening of Atmanirbhar Bharat Abhiyan and growth of the MSMEs. Particularly, the provision of excluding the exports from counting of turnover is encouraging the MSMEs to export more and more without fearing to forego the benefits of being an MSME.

As a result of change in classification criteria w.e.f. 1<sup>st</sup> July 2020, an Enterprises is being classified as a Micro, Small or Medium Enterprises on the basis of the following criteria, namely:-

- a) **Micro Enterprises:** where the investment in plant and machinery or equipment does not exceed **one crore rupees** and turnover does not exceed **five crore rupees**;
- b) **Small Enterprises:** where the investment in plant and machinery or equipment does not exceed **ten crore rupees** and turnover does not exceed **fifty crore rupees**; and
- c) **Medium Enterprises:** where the investment in plant and machinery or equipment does not exceed **fifty crore rupees** and turnover does not exceed **two hundred and fifty crore rupees**.

To facilitate the procedure of MSME registration in accordance with the revised MSME definition.

Ministry of MSME launched a portal-Udyam Registration Portal (<https://udyamregistration.gov.in>) on 1st July 2020.

Key features of the portal are as under: -

- It is a unified portal with registration process free of cost, paperless and digital.
- The portal is aimed at reducing transaction time and cost for entrepreneurs and promotes Ease of Doing Business.
- The new MSME registration process is simple, seamless and entrepreneur friendly.
- All the relevant data is being fetched from Income Tax and GST Networks at the backend.
- Udyam Registration is mandatory to avail benefits under most of the schemes of Ministry of MSME and availing credit from financial institutions as per RBI notification no. - Ministry of MSME has also commenced API integration of Udyam Registration portal with GeM so that MSEs can participate in Government procurement easily.
