1. Background

The Ministry of Micro, Small and Medium Enterprises issued a notification dated 26th June 2020 regarding revision of definition of Micro, Small and Medium Enterprises (MSMEs) and process of registration. Apart from the old criteria of categorization of MSMEs on the basis of investment in Plant and Machinery/Equipment, an additional criterion of turnover has been included. Moreover, the difference between manufacturing and services sector has been removed and now both are at the same level of treatment. This revision is paving the way for strengthening of Atmanirbhar Bharat Abhiyan and growth of the MSMEs. Particularly, the provision of excluding the exports from counting of turnover is encouraging the MSMEs to export more and more without fearing to forego the benefits of being an MSME.

As a result of change in classification criteria w.e.f. 1st July 2020, an Enterprises is being classified as a Micro, Small or Medium Enterprises on the basis of the following criteria, namely:-

- a) **Micro Enterprises:** where the investment in plant and machinery or equipment does not exceed **one crore rupees** and turnover does not exceed **five crore rupees**;
- b) **Small Enterprises:** where the investment in plant and machinery or equipment does not exceed **ten crore rupees** and turnover does not exceed **fifty crore rupees**; and
- c) **Medium Enterprises:** where the investment in plant and machinery or equipment does not exceed **fifty crore rupees** and turnover does not exceed **two hundred and fifty crore rupees**.

Ministry of MSME launched a portal-Udyam Registration Portal (<https://udyamregistration.gov.in>) on 1st July 2020.

Key features of the portal are as under: -

- It is a unified portal with registration process free of cost, paperless and digital.
- The portal is aimed at reducing transaction time and cost for entrepreneurs and promotes Ease of Doing Business.
- The new MSME registration process is simple, seamless and entrepreneur friendly.
- All the relevant data is being fetched from Income Tax and GST Networks at the backend.
- Udyam Registration is mandatory to avail benefits under most of the schemes of Ministry of MSME and availing credit from financial institutions as per RBI notification no. RBI/2020-2021/26 dated 21st August, 2020. (https://www.rbi.org.in/Scripts/BS_CircularIndexDisplay.aspx?Id=11951)
- M/o MSME has also commenced API integration of Udyam Registration portal with GeM so that MSEs can participate in Government procurement easily.

M/o MSME issued a notification on 5th March, 2021 for certain amendments in the earlier notification dated 26th June, 2020. The amendments made are as follows:-

1. *The exemption from the requirement of having GSTIN shall be as per the provisions of the Central Goods and Services Tax Act, 2017 (12 of 2017).*
2. *In case of any proprietorship Enterprises not registered under any Act or rules of the Central Government or the State Government, the proprietor may use his or her PAN for registration of the Enterprises in the Udyam Registration portal and for all other types of Enterprises PAN shall be mandatory.*
